

Attention all you artistic immunologists!

The Scandinavian Society for Immunology (SSI) invites suggestions from members for a new logo for the SSI.

We will reward the winner with free registration and conference dinner in Aarhus for the Aarhus2020 50th anniversary SSI meeting in October, where the winning logo will be unveiled

<https://ssi2020.org>

The pentameric design of the old logo symbolized the 5-nation basis for SSI.

Submissions can be freehand, computer drawings or professional graphics, as you prefer (but we prefer high-resolution digital image or vector graphics).

By submitting your logo, you cede all copyright to the SSI, in the event that the logo is selected by the committee. This also includes the right to make any alterations of the winning logo suggestion.

We reserve the option to keep the old logo, even if a new logo will be selected by the SSI council as a winner of the prize. The judges' decision will be final.

The prize-winning contribution will be announced at the Conference dinner at the SSI 50th annual anniversary meeting in October in Aarhus.

Send your submissions to Eva Sverremark-Ekström by June 1 2020

eva.sverremark@su.se

(you may submit more than one suggestion)

We look forward to seeing your SSI logo ideas!
